“Summer Dance Extravaganza!”:

****August 2nd – 6th, 2010****

One week only – three hours daily of multi-disciplinary, exploratory dance that goes beyond the school year’s class curriculum. Costumes, props, and multiple dance styles are incorporated daily. 4-6 year olds put on a half-hour production of the comic ballet “Coppelia”, spending the week learning about its delightful storyline, stars, history, and music. Tap and jazz are also part of each day. Let your older dancer try her hand at international dances, modern dance, ballroom, and/or Broadway-style tap and jazz routines. Drama, art projects, and music theory are incorporated into both age groups’ programs. Families are invited to attend an in-school performance on the final day. We have many returning campers; no summer is ever identical from the last!

Space is extremely limited! Mail your registration and payment TODAY!

\$95.00 per student per session – *for 15 hours of instruction, this is the best dance camp bargain around.* Fee includes all materials; no costume purchases necessary.
