President's Note

Happy Summer Juniors!

I hope you all are staying cool in the summer heat!

Thank you to Dara for organizing a Girl's Night Out to the Wine Experience in Ocala. I'm curious to find out which was better, the fondue or the wine! Also, thank you to Scarlett for, once again, agreeing to chair our club's biggest fundraiser for the year - Miss Williston! Please contact Scarlett if you would like to be on the Miss Williston committee.

GFWC Convention was recently held in Milwaukee. GFWC Florida and GFWC Florida Juniors received recognition on the national level! It is because of every member and every club that GFWC Florida shines. I thank all of our members who take time out of their busy schedules to be a member of our club and volunteer! Please take time to think about new projects for our club.....or a girl's, couples or family night out!
In Junior Love,
Catrina

HOME LIFE

June 5-11 is National Sun Safety Week! Remember: Sunburn doesn't only happen during the summer! Water, snow and sand reflect the damaging rays of the sun, which can increase your chance of sunburn. Protect yourself year round by using sunscreen with protection from both UVA and UVB rays, and an SPF of 15 or greater. Wear protective clothing, such as long-sleeved shirts, pants, a wide-brimmed hat, sunglasses, and sunscreen on the exposed areas of your skin whenever possible! **Block the Sun, Not the Fun!**

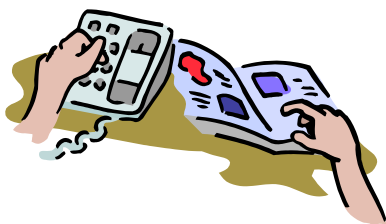

Don't miss our next meeting! **July 7th.** Meet us at the clubhouse and enjoy a meal & friendship.

Conservation

Don't forget! Lawn watering is currently limited to two days per week, unless your city or county has stricter restrictions in place. Remember to always follow your watering schedule during this dry season and never water between the hours of 10:00 am and 4:00 pm.

Please bring any magazines that you've already read to exchange at the July meeting! Any unclaimed magazines will be taken to a nursing home in Williston or for to teachers for use in their

classrooms!

One Voice for Children

With summer vacation upon us, don't take a vacation from safety. Remember, most accidents occur within the home! Review safety rules with your children about bikes (wear a helmet), pools (never swim alone), cooking (don't do it without an adult), and the internet (don't give out personal info). With a little preparation we can all have a safe and happy summer!

Williston School of Dance

Thanks to ALL the Juniors that helped with the 34th Annual Williston School of Dance Recital "The Ocean in Motion"

It was a HUGE success. We had 80 plus dancers perform in Twenty Two different dances. The auditorium was packed once again!

On May 19th Twenty Five dancers danced @ Williston Rehab Center for the residents. They absolutely loved the dancing and the attention the dancers gave them. They did a great job.

On Memorial Day weekend Ballet & Irish class danced @ the Performing Arts in the Joni Messler Recital "Go Green; Dance a Dream"

In June we have summer classes for five weeks starting June 17th.

In July we have our FAMOUS Dance Camp Jul 18th - 22nd. Space is very limited!
