## President's Note

Williston Juniors!

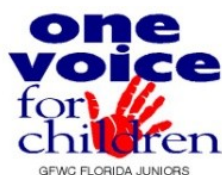

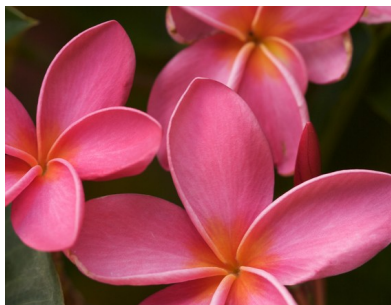

Coming home from GFWC Florida Convention is always a good feeling....after recuperating, of course! It is a feeling of rejuvenation and returning with new ideas for our club! Monique, Dara, Andi and I will share these ideas with you all, and we have many funny stories to tell.....that is Monique Allnutt in the Clifford costume....

Join us as Brandy, Jackie and Andi will be fixing "Cinco de Mayo" food.

Congratulations to Scarlett McGowan on the birth of her daughter Collyns!

See you May 5th at 6:30 p.m.

# International Outreach

Don't forget to "Click-to- Commit" every month to help CARE, one of our GFWC International Outreach partners. **And** you can go back and view previous videos and they will count towards the donation!

Go to the website [www.joinmyvillage.com](http://www.joinmyvillage.com) and click on the "Click-to-Commit \$1" button. Watch the short video (2 minutes or less) that comes up and \$1 (or more) will be donated to Join My Village to continue CARE's work.

When you click, things change for girls!

*Be sure to keep track of how many times you "click-to-commit."  
We want to know how much of a difference the Williston Juniors made!*

# Leadership

Do you want to grow as a person? How about have more confidence? Do you want to feel like you make a difference? Then think about taking on a leadership role in our club! Being a leader doesn't necessarily mean standing up in front of the group and running the monthly meeting. Being a leader can be as simple as bringing ideas for new project to club, or keeping track of an ongoing project. All great leaders started out with something small, taking steps from there to get to where they are today. You become a better you when you step out of your "comfort zone" and accept the challenge of taking charge!
