*All class registration is first come, first serve. The schedule is subject to change based on enrollment. The School of Dance may declare a class filled to capacity, which can vary based on class age and level. We are proud of our student-teacher ratios.*

*Class eligibility is determined by the instructor. Please confirm level with the Artistic Director or Treasurer before enrolling or purchasing any level-specific dancewear.*

*Students preschool -1<sup>st</sup> grade, and students in entry-level classes, advance by age. From there on, students advance by skill mastery, as determined by the instructor. The School reserves the right to accelerate or retain a student's class placement as the instructor deems optimal for the individual student as well as for that child's overall class.*
